

The CITYWEST 4x4 CLUB - setting the trend ...

CITYWEST - It's vibrant, it's family friendly and the place to be. Why not join us today!

There are four wheel driving clubs, and there are **four wheel driving clubs**. Some are cliquy, some are elitist and expensive, some are just for cowboys and some cater for more pedestrian tastes. Of course, there are some good clubs around, too – but none in the immediate west of Melbourne with a vision like ours!

CITYWEST 4x4 CLUB Inc. has been created differently. We have built a special kind of club that ...

- 👤 Is genuinely committed to pursuing the recreation of four wheel driving in an environmentally sensitive and sustainable way – yet with a touch of adventure
- 👤 Is genuinely committed to encouraging all members of all experience – novices and old hands, alike – to develop their 4x4 driving skill levels to the max regardless of their vehicle preference
- 👤 Is genuinely committed to providing affordable four wheel driving and associated activities for families
- 👤 Is genuinely committed to advancing the recreation of four wheel driving in a socially and culturally positive way

We have a comprehensive website and the committee work hard to maintain our vision. We're a strong club but we are not going to promise outlandish things we cannot deliver. But we can say this – we have built and continue to build a club that caters for a wide range of exciting 4x4 interests and social events.

We are doing this by building on the following four core values ...

QUALITY

Whatever we do will be done with planning, care and attention to detail so that members can enjoy the best outcomes possible. This means that we may do a little less than some expect – but it will be done exceptionally well!

EXCELLENCE

Near enough is never good enough. It betrays a lack of commitment and complacency – it always leads to apathy. Excellence is doing the very best with what you have.

INTEGRITY

Members who pay fees are entitled to open, accountable and diligent servant leadership. They want to be proud of their club, not embarrassed by incompetence or 'politicking'. Relationship integrity is key for us.

LEADERSHIP

The success of the best organisations doesn't just happen, it is forged by strong, visionary and capable leaders who can 'read the game' and adapt to meet new challenges. Leadership training is also part of the **CITYWEST 4x4 CLUB** commitment so that leadership responsibility may be sensibly and competently shared. It's an 'added value' for members to be trained by other qualified and experienced leaders.

CITYWEST has a strong membership with new members joining almost every month! That's exciting! Our club has attracted a good deal of positive feedback from other clubs and groups .

If you resonate with what we're saying here, we want you to join us – and help continue to build the best 4x4 club in Melbourne's west. **You're very welcome!**

CITYWEST 4x4 CLUB Inc. is affiliated with Four Wheel Drive Victoria, the peak 4WD driving representative association in the state, and the most innovative nationally. FWDV is also affiliated with the Australian National Four Wheel Drive Council, a strong national representative group and 'voice' for club members and the recreation nation wide.
